## **VOLUNTEERS**

A contest of this size could not be completed without the help of many hands. Thank you to all those who set up ropes, judged, counted laps, times, tabulated scores, explained happenings to picnickers, made coffee trips, registered competitors, collected money and anything else that needed to be done. Without your help, it wouldn't have happened.

Special thanks to Ken and Lori Copeman for tending the Saturday Bar-B-Que!

# 1998 Outdoor Free Flight Contest

August 10, 1998

The Balsa Beavers M.F.C. organized and held an outdoor rubber contest on August 10th 1998 at Centennial Park. The two classes flown were the Keilkraft Eaglet and Open Class with a maximum wingspan of 24 inches. Each competitor was allowed 2 official flights, with the best flight to count for the final score.

Although a thunderstorm threatened for most of the evening, by 7:30 PM the winds became quite calm with excellent conditions for Free Flight. The results of the evening flying are as follows.
