MODEL AERONAUTICS ASSOCIATION of CANADA

The Balsa Beavers *Heli Hula Hoop Happening*

Date: Wednesday, January 9th, 2019

Time: 7:30 PM

Place: Centennial Park Arena, west meeting room

The objective is to take off from the designated spot, fly through the hula hoop, then return through the hula hoop and land where you took off. This is a timed event; the shortest time wins.

If you don't have one already, purchase a small "fit-in-your-hand" electric remote-control helicopter. They are about \$50 from places like Best Buy.
