

Flying Follies Fun Fly

Labour Day Weekend, 2019

August 31 - September 2

This is a privately hosted event, so please let Brad LaPointe (bradlf2d@kent.net) know what day(s) you plan to attend.

Address:

In the vicinity of: 30167 Esterville Rd, RR 4, Dresden ON N0P 1M0

GPS: N 042° 37.533' W 082° 08.639'.

To access the flying circles, find the farmhouse at 30167 Esterville Rd on the east side, but turn down the path beside the field across the road on the west side. Follow the path towards the west, around the trees, then up the hill to the circles.

This year will include a speed contest:

- You signal to start, the watch is started, dead engine start.
- Start your own or take a 10 second penalty.
- Fly 7 laps. Watch is stopped. 10 points subtracted for landing on the start/finish line.
- One point added for each foot from the line.
- Any pre 1975 combat model; Flightstreaks and Ringmasters are OK.
- Engines are plain bearing baffled old style swap meet specials, .36 cu.in. Max. (Combat specials are OK.) No aftermarket ABC top ends.
- 10% nitro fuel.
- 60' x .015 lines.
- Lowest score wins.

This weekend will also host the "make up" combat competition postponed from the T & D of June 1 and 2.

A pilot's choice winner will be chosen for the best looking, most unique model.
