Business arising from minutes of the previous meeting(s)		
2021 World Stunt Championships	<ul style="list-style-type: none"> The status of the 2021 World Championships in Poland is uncertain. Matt may know by April if they will go ahead through his contact with the Polish Aero Club/FAI. If they do go ahead, they may not be a 'true' World Championship in that judging would be available but not 'official' and no points towards the World Cup would be awarded. 	
2021 Contest Season	<p>A few thoughts were expressed about the likelihood of holding contests this summer, given the pandemic:</p> <ul style="list-style-type: none"> Combat and racing events are not likely practical given the need for social distancing. Stunt and scale events may be possible. Konstantin Bajaikine is tentatively on-board with participating in a stunt judging clinic but timing of this is uncertain – perhaps September depending on the roll-out of the COVID vaccine. The Club may only get one contest in this year. 	
New business		
Possible postal glider contest	<ul style="list-style-type: none"> Matt Piatkowski suggested an indoor carbon/foam glider 'postal' contest – he referenced a Moscow modeller who guided an indoor glider through air disturbance created by hand motions 	Matt will send plans and post link to the relevant YouTube video
Workshop 'tours'	<ul style="list-style-type: none"> Bill Bowmer suggested that club members give virtual tours of their workshops 	
Adjournment
